

PROFILE OF MR. DAVID BASIL NARTEY.

Mr. David Basil Nartey has been with the National Buruli ulcer Control Programme since 2005. He joined this outfit as a National Service Person in August 2005.

He is a product of Adisadel College; one of the best senior high schools in Ghana. He had his post-secondary education at the University of Cape Coast, Ghana, and holds a BSc (Hons) degree in Biological science with Biology as a major.

He is part of a team that handles all technical activities in the office.

Among his many service activities with the Programme, David demonstrated exceptional flair during the International Training on Surgical Management of Buruli Ulcer held in Agogo, Ashanti in May 2006.

David has plans of pursuing further education in the country and possibly overseas with Public Health as first option.
